

## **Justice Reinvestment – Performance Incentive Grant Fund – Proposed State Awards**

<b>Applicant Agency</b>	<b>Project Title</b>	<b>Project Summary</b>	<b>Requested Grant Funds</b>	<b>Average Score</b>
Maryland Office of the Public Defender	Co-Occurring Diversion Project	The Maryland Office of the Public Defender's Co-Occurring Diversion Project will reduce existing gaps in services and foster collaboration and cooperation by providing a coordinated response with county jails for pretrial detainees with co-occurring mental health and substance abuse disorders or cognitive impairments. Regional coordinators will facilitate regular meetings with jail staff, and conduct or oversee clinical screenings and assessments to identify detainees with a co-occurring disorder or complex mental health condition and ensure that they receive appropriate treatment. Program funds will provide contractual services, travel, and operating expenses.	\$239,953	85.6
Maryland Department of Labor	Tablet Program	The Maryland Department of Labor's Tablet Program helps reduce existing gaps in services and foster collaboration and cooperation among partner agencies and stakeholders in Maryland. The goal is to expand the Tablet Program from eight to nineteen of Maryland's correctional intuitions, thereby making tablets available at every Maryland facility. The proposed project, in collaboration with the Department of Public Safety and Correctional Services (DPSCS), will enhance educational programming, improve digital literacy for inmates, and incentivize positive behavior at state prisons. Program funds will provide equipment.	\$500,000	80.3
Maryland Department of Public Safety and Correctional Services	Reentry Transition Specialists	The Maryland Department of Public Safety and Correctional Services' Programs, Treatment and Re-entry Services unit helps reduce existing gaps in service and fosters collaboration and cooperation among partner agencies and stakeholders throughout Maryland. The unit develops and coordinates programs that provide self-sustaining services to those leaving prison and reentering the community, including community-based employment, treatment, housing services, work release programming and clinical interventions. Program funds will provide personnel, operating expenses, travel, contractual services, equipment and other.	\$499,856	93
